Objective:

As a skilled Software Developer, I specialize in designing, developing, and maintaining software applications. With a strong foundation in programming languages and extensive experience in building both front-end and back-end systems, I excel in addressing complex issues with efficient solutions. My attention to detail and robust problem-solving abilities ensure high-quality results. I am passionate about learning new technologies and staying current with industry trends. My collaborative approach and effective communication skills make me a valuable asset to any development team.

Technical Skills

- Programming Language(Python,Javascript)
- Web Development:HTML,CSS,Django,Node.js
- Frameworks and Technologies
- Database Management(SQLite,Mongodb)
- Version control
- Problem-Solving
- Lean and Agile methodologies

Project 1

Daystar Daycare management System

- This project required me to build a software system for managing daycare operations, including registration of Babies and Sitters,Attendance tracking and billing.
- I managed to achieve this using Python and Django, HTML, and CSS, and then lastly JavaScript. For the database, I used an SQL server.

Project 2

Pharmacy Management System

- This project required me to create a system to manage pharmacy expenses and incomes,providing detailed financial reports and inventory management.
- I managed to achieve this using Python and Django,HTML,and CSS,and then lastly Javascript.For database ,I used an SQL server

Project 3

E-commerce Management System(In Progress)

- This project required me to build a software system to handle product listings,customer order,and payment processing for an online store
- I managed to achieve this using Python and Django, HTML, and CSS, and then lastly JavaScript. For the database, I used an SQL server.

Education

- Certificate inSoftware engineering with Python , Refactory Academy feb 2024 - July2024
- Advanced Certificate of Software Engineering, Refactory Academy July 2024 - Dec 2024
- Uganda Advanced Certificate of Education, Wampeewo Ntakke Secondary School 2021 - 2022
- Uganda Certificate of Education, Treasure High School   2016 - 2019

Professional Experience

- Elegant Interiors,Shop Attendant March 2023-August2023
- God's Will Loan Company ,Secretary August2023-December2023

Soft Skills:

- Team work
- Customer care
- Effective Communication
- Problem-solving
- Adaptability
- Quick learner
- Critical thinking

Languages

- English

- Luganda

- Runyoro

- Rutooro

- Runyankole
